Ms. Andrea Wilkens  
Reports Analyst  
Federal Election Commission  
999 E Street, NW  
Washington, DC 20463

Dear Ms. Wilkens:

Thank you for taking the time to talk with me this morning regarding the NRCC amendments in question (30 Day Post General and Year End).

As I explained, these two amendments were mistakenly not included with the hand delivered amendment filed yesterday at the Commission. The NRCC has always answered all inquiries from the Commission in a timely manner. The only time we receive second notices is when the response takes longer to prepare due to programming errors, and the second notice crosses the answer in the mail. I realize the importance of maintaining a complete and accurate public record, and the NRCC has always strived to meet the highest standards. In this instance, the error is all mine and I hope it has not caused you any additional inconvenience.

Additionally, thank you for taking the time to answer my questions regarding the upcoming electronic filing for the Contributions committee. I am confident that the programmers have been given accurate and complete information and that the filing will meet the highest Commission standards.

If you have any questions or concerns please contact me at 202/479-7042.

Sincerely,

Christopher J. Ward
